

American Red Cross Lifeguard Training

Blended Course

For Ages 15 & up

Learn the skills and knowledge required to become a lifeguard, including how to recognize, prevent, and respond quickly to aquatic emergencies. Learn CPR for the Professional Rescuer, AED, and First Aid. Participants will receive certifications after attending all class sessions, and passing all written exams and water skills tests. Course materials included in fee.

Certifications received upon completion of course objectives and passing with a score of at least 80 percent correct on course final written exam.
