

Marlins Swim Team 2021-2022 Season

Swimmer Contact Information

I will keep this information on hand so if I ever need to get a hold of a family.

In this day in age we have a lot of ways of contact. Below you will notice a primary and secondary for both phone and e-mail. I would like your primary to be the number that is the absolute best number to call. This needs to be a number that will get a voicemail that will be checked.

*Please only put one number on this line, that way I know which one to call.

**Second number will only be used if it's an absolute emergency and I can't get a hold of anyone at the primary number.

If you give me both e-mail addresses I will add them to the Marlins list and they will both get e-mails from me.

* If there are multiple families/contacts please fill out a separate form for both parents*

Swimmer(s) Names & Ages:
Address:
Primary Phone Number:
Secondary Phone Number:
Primary Email Address:
Secondary Email Address:

Practice Cancellation Policy

You will be notified of the practice status during inclement weather in the following ways:

- An email will be sent out as soon as a decision has been made.
- If you call the YMCA front desk at 507-387-8255, they will let you know whether practice has been cancelled.
